THE AURORA
PHOTOGRAPHY COLLECTION
2014

Die Liebe der Eigentümer-Familien zur Kunst ist im ganzen Hotel spürbar. In den öffentlichen Bereichen ist ein Teil einer Privatsammlung an frühen Modefotografien und Portraits ausgestellt. Ausgewählt wurden Schwarzweissfotografien von Größen wie Horvat, Steichen und Newton für Magazine wie den Harper's Bazaar und die Vogue aus den 50er und 60er Jahren und sehr persönliche Aufnahmen von Filmdiven wie Dorian Leigh, Marilyn Monroe und Marlene Dietrich von Penn, Avedon und Horst...

The love and appreciation for art of the owners of Das Stue is constantly visible throughout the whole property. All public areas display a curated selection of their private collection, boasting an impressive range of early fashion photography and portraits. Guests can marvel at black and white works from the likes of Horvat, Steichen or Newton, commissioned from magazines like Harper's Bazaar or Vogue from the 50's and 60's, as well as distinctly private shots of movie stars like Dorian Leigh, Marilyn Monroe and Marlene Dietrich, captured by Penn, Avedon or Horst...

” PHOTOGRAPHY, AS WE ALL KNOW,
IS NOT REAL AT ALL. IT IS AN
ILLUSION OF REALITY WITH WHICH
WE CREATE OUR OWN PRIVATE
WORLD. “
